From Mrs Florence M. Annett

To Cemeterial Branch of the
Quartermaster Corps Washington D. C.
 Subject, Grant of 1st Lieut John D. Annett ^{W.D.C.}

The Red Cross gave me your
 address for any information on
 above subject.

I have been notified from the
 Chief Grants Registration Service
 American E. F. that the remains of
my husband, who was buried
at Mont Des Cats, France, has was
reburied June 5 1919. much to my
 regret. I kindly ask you for the
Geographical location of Cemetery
in which he has been buried.

I will give you as follows all
 the information on its location

that was given me, which means
nothing to me

Cemetery #323

Lieutenant Military Cemetery,
American Plot # 32, Row D. Grave #31.

As far as being able to locate this
grave with above information
it would be an utter impossibility

I do want the location of this
grave which I think is

... Somewhere in France and not
the "Military Location".

Kindly give me the desired
information if possible

Thanking you in advance
Very Respect.

Mrs Florence M Arnett
