Dear Geo

Just a few lines to you
to let you see how we
are getting along; well Geo
we received sad news
last night - we received
a message that
Clarence was killed
in action on Oct 19;
now Geo I want you
to do me a favor; will
you go and see if
you can find out
where he was killed
and how it happened.
See if you can find
No 1

where he is buried
and see if his grave is
marked; do you think
if you find him could
you send him home
Geo if you will go
and see what you can
do I will pay your
Expenses now Geo try and
see what you can do;
he was in the 78 Division
Company B. 309 Infantry
I think he was some
where near the Argonne
Forest - or near Metz
now Geo answer this letter
as soon as you get it -
and tell me what you think
I will close for this time E. J. Lee
