Remains of Harold Ray Fortz, S. A.
2nd cl. U. S. N.

1. Mrs William Fortz called at my office this afternoon, with a telegram under date of the 25th inst. informing her of the death of ^{her} son. she wanted to know if the remains of her son could be shipped to Batavia as she sent a telegram to the Dept. making this request.

2. She requested me to take this up with the Bureau of Navigation, as they are very anxious to have the remains buried here in Batavia. Please advise accordingly
