Dear Sir:-

The father of Walter Francis Owens, late of Company C, 325th Infantry, has been notified that his son was killed in action on October 10th, 1918. Mr. Owens is very anxious to learn the details concerning his son's death, the battle he participated in, where the body was buried, and such other details as may be available. It will be appreciated if you will furnish me with all available information relative to this young man that I may transmit it to the father.

Very truly yours,

  
Congressman.
