SPRING Ira Pvt. 2941392

37
Missing Aug. 8th 1918.

In the Lorraine Sector near Baccarat, we were out on a patrol, it was very dark and the ground covered with brush, several man were lost for two days but came back. Pvt. Spring must have been captured because he was never heard from after ward. However he may have been killed as there was heavy firing .

Height 5'7", medium built, dark complexion, looked like an Indian, knew him three months, no other Spring in the company, was very well liked in his officer, a very jolly fellow.
