Dear Sir:-

On April 11, 1930, you wrote me requesting information on the death and burial of one Pvt. 1st Cl. Charles Uotrie, Co. B, 59th Inf.

I answered and gave you what information I had. I am still interested in the case as Uotrie and I were rather close friends and his mother came to see me some months ago.

Can you, and will you let me know how this case finally ended up? I hope soon to return to the "Vale Sector" in France and of course will look for Uotrie's grave if any has been established,

Sincerely yours,

Carl P. Hoffman
